From the Team

IWelcome to our spring issue of Australian Knitting. We hope you enjoy our latest selection of patterns and ideas. There are jumpers, shawls and scarves for the season. Every pattern has step by step instructions for you to follow.

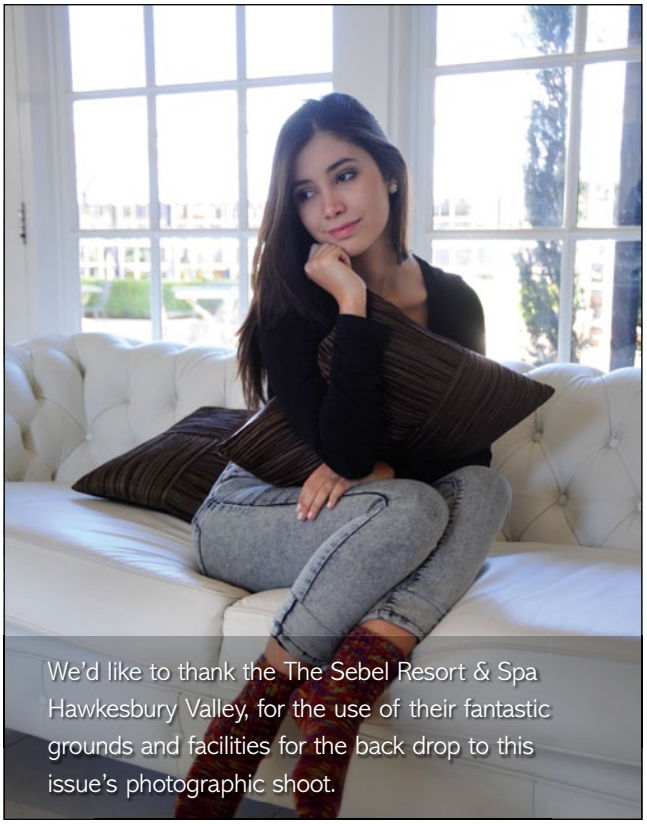
This issue we catch up with Biggan Dups who is not only a great supporter and contributor of our magazines but also a good friend and a wonderful creator and designer. We really hope you enjoy her story.

A new issue of Australian Knitting is on sale every 12 weeks, so keep an eye out at your local newsagent. Taking out a subscription will ensure you don't miss out on any issue, you'll enjoy savings and each magazine will be delivered directly to you.

We always enjoy hearing from our readers so please send us an email or letter. Please send emails to simon@wpco.com.au or mail to Woodlands Publishing PO Box 8035 Glenmore Park 2745.

Happy Knitting

Simon and the team



We'd like to thank the The Sebel Resort & Spa Hawkesbury Valley, for the use of their fantastic grounds and facilities for the back drop to this issue's photographic shoot.

Knitting news this edition is a real 'mish mash' of happenings from around the globe. Kicking off with an 'odd ball' knitting yarn!

By Susan Cordes

Oven Ready Chicken

This story from Nottinghamshire in the United Kingdom, features Charlie the parrot who was so neglected that his rescuer was running out of ideas how to nurse him back to health. Charlie was rescued by 'Safe haven' bird charity (http://www.safehavenparrotrefuge.co.uk/). According to Rebecca Blagg the charity's co-ordinator: he looked like a 'ready to cook' oven ready chicken, because Charlie had plucked out all of his feathers! This innovative lady decided to knit sweaters for Charlie to keep him warm, and now Charlie refuses to be without them and gets quite cross when the sweater is taken off for washing.

Charlie is the proud owner of several green, blue and peach sweaters, which are changed every week. The sweaters have been designed with large holes to accommodate his wings.

Are you into knitting toys?

Take a look at some of the ideas, patterns, yarns and embellishments around to inspire – showcasing Meerkats, owls, cats, dogs and more. It may inspire your children to learn to knit –so do you remember the knitting rhyme?

Do you need a ball winder?

These nifty little gadgets are clamped to a flat surface and by turning the crank handle you can turn that hank of yarn into a ball (although they end up not ball shape at all – in fact have a more square like shape with a flat top, bottom and sides). A lot of online yarn shops sell yarn in hanks so if you tend to use yarn that is supplied to you in hanks then a ball winder may be for you. Check out a good range of these gizmos at: http://handspinner.co.uk/catalogue_winding_skeins_balls.html

‘Aotearoa’ – The Land of the long white cloud

Yes I am talking about New Zealand – one of the world’s great suppliers of beautiful yarns.

Knit World is one of New Zealand’s largest yarn store chains and boasts 10 stores. It stocks a great range of New Zealand made yarns including Zealana, Touch Yarns, Stansborough and Ashford. Check them out at: http://www.knitworld.co.nz/

Kiwi Yarns is another supplier to look out for as they have some very unusual yarns in stock. http://kiwiyarns.wordpress.com/tag/new-zealand-yarn-stores/

If you are looking for ready knitted garments take a look at The Wool Company. http://www.thewoolcompany.co.nz/ This Company began life as a wool broker and then moved into selling yarns. The company gradually evolved to today’s position in the market where it retails quality - yet affordable New Zealand wool products.

SHOWS – around the globe

Finally, on our trip around the globe, here is a peep at some of the craft shows around during the next couple of months.

Australasian Shows

15th – 18th August 2013
Newcastle Stitches & Craft Show:
Newcastle Entertainment Centre, Broadmeadow, NSW
http://stitchesandcraft.net.au/Newcastle

5th – 8th September 2013

UK Show Advanced Warning

10th – 13th October 2013 – The Knitting and Stitching Show:
Alexandra Palace, London
31st Oct – 3rd Nov – The Knitting and Stitching Show: RDS, Dublin, Ireland. The Knitting and Stitching Shows are said to be the best textile shows in Europe. The shows this year, promise to keep that reputation with knitting, crochet, embroidery, patchwork and quilting, felt making, Shibori dyeing, jewellery making, card making, embossing – in fact something for everyone. Be prepared to have a wonderful (probably tiring!) day. Take in inspiration from other crafters, buy supplies or ready-made products or take a workshop or two.

Fact File:

Shibori is a Japanese term for several methods of dyeing cloth with a pattern by binding, stitching, folding, twisting, compressing it, or capping. Some of these methods are known in the West as tie-dye. (Ref: Wikipedia)

Trivia:

How were you taught to knit?

Many of us learnt this rhyme to help us and it still continues to help children (and adults) to knit! This rhyme has been used in Waldorf Schools to teach this skill for many years.

Some people think that knitting is just for the long winter evenings: not true! There are a plethora of light and lacy knitting patterns that can be made at any time during the year – all with different looks.

Most dedicated knitters start thinking about their next project even whilst knitting the current one. By keeping up with trends, colours, styles and yarns you can knit for almost any season – in any season.

Season's Colours

This season colours to work with go from the starkness of black and white monochrome, changing to bright exotics and on to the serene, sugary pastels. These colours are an eclectic mix that you can use to create a collection of knits to suit you or your family's tastes and colouring.

Check out these colours from your local yarn store:

- Black and white
- Olive
- Purple
- Salmon
- Orange
- Strawberry red
- Poppy coral
- Hot cyclamen
- Aurora yellow
- Fresh green
- Grey
- Pastel pinks, mauves, blues

Most people have favourite colours they like to wear, however colours can flatter or detract from your complexion. Think about this if you are:

- A brunette with a fair skin tone – go for contrast colours
- A fair blonde – go for colours that are close to each other in undertone
- Blondes that have that pale look need to go for stronger and more intense colours including their lipstick and bronzer and of course sweaters
- Those who have darker complexions usually still look good in spring and can utilise most colours

Planning Your Next Knitted Project

Before you start getting all excited about a new yarn you have spied in your local yarn shop and you are trying to decide what to make with it – have a think about your present stash of yarn. Most people need a little 'push' to organise this area. Start off with going through what you have and then get rid of what you don't need; this simple routine will probably mean that you will end up holding off buying that new yarn as you discover beautiful yarn secreted away in your stash that you had forgotten. Yes it is difficult – however no one wants yarn to take over the house!

Ok – now you have got your yarn stash organised where to go from here? This season sees many lacy patterns in favour - giving a breezy sea foam impression in the sugary pastels. Eyelets, openwork, feature drop stitches and delicate mesh designs are the go. The lace and mesh patterns are dramatised by contrasting with a block or panel of stocking stitch. Ongoing with these designs and colours is the tendency by designers to use the 'drape' look in knitwear. Tom Scott and Anna Sui stand out with this look.

The 1950's saw the popularity of the decorative collar. These are back. Collars knit up quickly, use little yarn and are a fashion feature this year – they are easy to make and will change the look of any outfit.

In contrast, stark black and white yarns can be utilised to create knits that are bold and graphically novel. Fashion House 'Balmain' struts simple

black turtlenecks on the catwalk this year, as does designer Stella McCartney. These turtlenecks although in bold black, will still look feminine when teamed with short dresses. Black always looks crisp and striking. This monochrome look links in the 1960's 'New Mod' theme. Remember Mary Quant? Louis Vuitton's version of this turtleneck trend chooses very rich shades of olive, purple, salmon and orange which is in direct contrast to other designers.

Make A Statement!

The motif style of the previous season is still around, however added to this style are contrasting colour panels, flower patterns and if you are brave enough, Space Invader designs!

Cable knits are again popular even though they vary from chunky (to keep you cosy and warm) for the cooler weather to the finer and lighter styles (to show more skin) that lead in to warmer temperatures. Layering seems to keep on the fashion board no matter what the season is – this is still true. A cabled panel will make a statement.

For those of you that like sleeveless versions, this is fine; take a look at what's on offer from Fendi and Bora Aksu. Sleeveless versions are great for layering and of course knit up quicker.

The retro looks of previous seasons are still with us and include a peep at the Rockabilly 1950's and

- Meg Swansen is a renowned knitting designer, owner of Schoolhouse Press and the daughter of Elizabeth Zimmermann. Similar to her mother, she has helped to popularize knitting and is a well-respected author and knitting teacher, especially at her knitting retreats. Swansen also writes a long-running regular column in Vogue Knitting called "Meg Swansen on...",

1960's. Colours for this style can be bright – yet balanced by the pastels. The neat, little cardigan makes a return with a flourish, especially those that button up to the neck and are in a fine knit, with the length of sleeves going from full to three quarter. As the weather gets warmer the 'boat neck' will come to the fore. Classic stripes are around – yet updated with contrasting yarns, different gauges and unexpected colour combinations.

The influence of the 1960's can been seen with flowers of all shapes and sizes incorporated into any knitwear item. These flowers can be knitted or crocheted and can be incorporated into the pattern of the garment or as an addition in the form of a collar, brooch or headband.

The 1950's trend bases its foundations on cardigans and tunics featuring sheer knits, mesh, ladder and crochet. Louisa Harding is the designer to look out for if you want to stitch or knit decorative collars, which are so reminiscent of this era.

Exciting Yarns To Use

Lotus Yarns – always a treat, this season sees cashmere, bamboo, silk, domesticated mink and even yak yarns to work with, whilst Lana Grossa yarns create some pep with clear bright colours and many interesting shades to entice. http://www.lanagrossa.com/garne/

Other yarns to look out for include the wonderful Australian Merino wool noted for its incredible fineness, softness and lightness:

- Wool mixed with mohair or silk
- Wool mixed with cotton or linen
- Wool mixed with hemp
- Wool is such an amazing natural fibre, which has breathability: wool can absorb moisture and move it away from the skin. It keeps you warm in winter and cool in summer and even has UV protection and is fire resistant.

Finally, Meg Swansen has reborn the art of the 'Turkish' cast on. This is an invisible way to cast on and cast off. Check it out and have a go! Other inspiring knitters to look out for include, Deborah Newton and Adrienne Sloane. Hope that you now have some great ideas for you next project – I'm off to knit some vintage style socks! ■

Cast off 8 (9, 10, 11) sts beg next 4 rows, then 9 sts beg next 2 rows.
Leave rem 22 (24, 26, 28) sts on holder for neckband.

LEFT FRONT

With RS facing, place 2 squares, one each of I & 2 on flat surface in front of you (ensure these 2 are facing in same way as the two right hand squares of back) with the fasten off points meeting at centre and two the left (the cast on edges are facing outwards and to the right).
Join squares neatly, ensure seam has ease and does not pull in.
These 2 squares form the lower part of the left front.
With RS facing, 4.00mm needles and D, pick up and k 36 (39, 42, 45) sts across upper square.
Next Row: WS – D, k all sts.
Work Stripe patt until front measures 14 (14, 16, 16) rows less than back to sts on holder, end with a WS row.
Next Row: RS – Keep Stripe patt correct, k to last 7 (7, 8, 8) sts; turn, place the 7 (7, 8, 8) sts on holder; cont on rem 29 (32, 34, 37) sts only; dec 1 st at neck edge next 4 (5, 5, 6) rows.
Cont straight until front measures same as back to beg of shoulder shaping, end with a WS row.
Cast off 8 (9, 10, 11) sts beg next 2 RS rows, then rem 9 sts on following RS row.

RIGHT FRONT

With RS facing, place 2 squares, one each of I & 2 on flat surface in front of you (ensure these 2 are facing in same way as the two left hand squares of back) with the fasten off points meeting at centre and two the right (the cast on edges are facing outwards and to the left).
Join squares neatly, ensure seam has ease and does not pull in.
These 2 squares form the lower part of the right front.
With RS facing, 4.00mm needles and D, pick up and k 36 (39, 42, 45) sts across upper square.
Next Row: WS – D, k all sts.
Complete right front to match left front, reversing shaping.

Biggan Turns 10

As iconic knitwear label Biggan Design enters its 10th year, we explore the story behind the label, and the personality behind the name.

Having established herself as a successful and prominent knitwear designer in Sweden, Biggan Design's eponymous founder, Biggan Ryd-Dups, immigrated to Australia in the early 1980s with her husband and young family. In Sweden she worked primarily with wool sourced from Australia and Argentina, but manufactured in Sweden. Biggan eagerly anticipated working with an abundance of Australian knitting yarns, which are renowned for their quality and softness, but was disappointed to find a relatively small range of

Australian yarns for hand knitting in the colour range she sought.

After a hiatus of almost 20 years, Biggan resolved to revive her knitwear label, this time with a yarn range to match her design needs. In early 2002 Biggan began the lengthy process of developing and testing a unique yarn product to suit her design ethos. She was shocked to find that of the 64 active mills she had heard of in 1970, only eight remained; furthermore, more than 98 per cent of the raw wool produced by these mills was exported to undergo the scouring, carding and spinning process!

Having embraced the generosity and spirit of Australia, a country she now calls home, Biggan decided upon an additional goal; to help revive the Australian wool industry, an industry upon which the hard working spirit of Australia has grown. Awareness of and support for Australian farmers is something which Biggan is passionate about, and she is proud to be one of few yarn producers whose products are wholly manufactured in Australia.

After two long years of testing, Biggan Design Pty Ltd launched its premium range of Merino DK, in a harmonised range of 64 colours. You can tell Biggan Design's yarn has been created by a designer whose passion for quality is uncompromised. The yarn is composed of a unique blend of Merino, giving it its baby-safe softness, and the longer Border-Leicester fibres, which allow buoyancy and elasticity for durability and structural integrity with wear. That is, the garments do not wear out of shape, even after years of wear. The yarn is non-pilling and mildly treated in the manufacturing process, which makes the finished product machine washable on a gentle wool cycle, while still retaining the wool's natural properties of warmth, water-resistance, and shape!

If that was not enough to make you knit exclusively with Biggan Design, then its colour range will sway you. Biggan Design's philosophy is to create timeless garments as a foundation upon which the knitter may choose their own colour scheme and create a unique garment. In this way, every knitter may be their own designer and knit garments to suit their wardrobe and skin tone. With 64 colours to choose from, everyone is sure to find a colour they love. What is more, none of her colours are seasonal or discontinued - a dream for knitters whose projects may take a few years to complete!

Testament to her classic, Scandinavian design style, Biggan's patterns do not age; speaking about her designs, Biggan says, "I want people to create garments that will stand the test of time. That comes from designing patterns that are classic in their fit and lines, and will continue to suit people as they wear it through seasons. Some of my most popular patterns now were designed in the 1970s!"

What is perhaps the hallmark of Biggan Design is the use of strong colours in its garments. Biggan is a

strong advocate for the therapeutic qualities of colour, as well as its use in every wardrobe. “People are so scared of using colour! I want to dispel the myth that putting bright colours together will equate to fashion faux pas. The trick is in harmonising colours so that they don’t look garish together.” And a harmonised colour range is exactly what Biggan Design provides. You can mix all Biggan Design colours without worrying that they will clash; talk about a dream colour-fix!

With an established and internationally renowned knitwear company behind her, Biggan branched out to 4ply yarns last year in celebration of Biggan Design’s 10th birthday. The 4ply yarns have the same qualities as the 8ply; buoyant,

elastic, machine-washable, durable, non-pilling, and so soft you can wear them on your skin. The 4ply is currently available in 54 colours, with plans to grow it to match the 64 colours of the 8ply.

Having once again established herself as a successful knitwear designer, Biggan has no plans of slowing down. She has been invited to sponsor and teach at the Interweave Knitting Lab in California later this year, and is growing her online presence. Biggan Talks, a series of video tutorials for online knitting enthusiasts, launched in March.

Though Biggan Design now operates on an international level, Biggan will always be grateful for the generous support and feedback she has received within Australia. "I have been overwhelmed by the enthusiasm people show for my yarns when I meet them; mostly, people appreciate that the yarns are wholly manufactured in Australia and take advantage of our wonderful resources. More recently, my yarns and patterns have been taken on by a number of yarn shops throughout Australia, and I am delighted to announce that as well as being available online, the Biggan Design yarn range and patterns are stocked by local yarn shops in almost every state and territory!" ■

NEEDLES AND TOOLS

- *4mm circular knitting needle 60 cm long*
- *4mm circular knitting needle 40cm long*
- *3mm set double pointed needles*
- *4mm set double pointed needles*

MEASUREMENTS

To fit bust: 80, 85, 90, 95, 100, 105cm
Garment length 45, 45, 48, 48, 51, 51cm

TENSION

22 sts by 29 rows over stocking stitch on 4mm needles to 10 cm

GETTING STARTED

When knitting a tube on a circular needle there is no seam at all.
To knit stocking stitch on a circular needle make only KNIT sts (NO PURL sts) as you always knit in the same direction, like a spiral. This makes knitting very even, easy and quick and the garment ready to wear as soon as loose ends have been fastened!
For WIDE RIB, as in this pattern, you knit both K and P sts on the circ needle for the rib effect.
Knitting Garment on Straight Needles instead of Circular Needles

Knit in one piece with 2 extra stitches for seam in one side. Sew together with yarn in a backstitch.

Correct Bodice Length
If your height is less than 160 cm take 2 cm off bodice length, if you are taller than 170 cm add 2 cm onto bodice length.

WORKING PATTERN
STRIPED TUBE

Design note: When changing colours knit first st with both colours to avoid a hole between the colours, then work in new colour only.
To avoid having so many loose ends to fasten off at the end of work, leave the yarns that are not in use still attached at the back of work. If you do this, it is very important to remember to see that the yarn, when used again, is not held too tight at the back of work, to stop tube from stretching.

Tube is knitted in one piece, like a cylinder, on a circular needle.
With 3mm circ needle and Mc cast on 136 (144, 152, 160, 168, 176) sts.
Close the loop to start knitting in the round, which means that beg and end of row is where first and last sts meet (and where the piece of yarn left from casting on will be hanging down to mark the spot).
Make sure that all sts are hanging down in the same direction, so edge is not twisted.
Work wide rib (K4, P4 alt) firmly, so tube stays elastic.

After *6 rows change to Cc1 and work 6 rows.
Next Rows: cont with Cc2 for 6 rows.
Next Rows: Cc3 for 6 rows.
Rep from * until end of work.
When work measures 48 (48, 51, 51, 54, 54) cm cast off very loosely so edge stays elastic. If you find it hard to make a loose cast off, use a size larger needle. Tube will be about 8 cm shorter when worn, as rib will stretch out.

MAKING UP

Fasten off all loose ends.

Diagonal Garter Stitch Hat

A simple knit using a multi coloured wool

YARN
- *70gms 8 ply self striping wool. Photographed in Zauberball Starke 6.*

NEEDLES AND TOOLS
- *Pair 4mm needles*
- *Wool needle*

MEASUREMENTS
Size to fit adult

TENSION
As per wool

WORKING PATTERN
Cast on 3 sts. Knit one row.
Working in Garter stitch throughout, increase one stitch at the beginning of each row until edge measures 25cm. Place a coloured thread or marker here on one side. This will now be the lower edge of the hat.

Increase one stitch at the beginning of side with coloured marker.
Decrease one stitch at the beginning of the other side until the longer (marked) side measures 40-45cm.
Note: Longer measurement makes hat larger.

Decrease one stitch at the beginning of each row until the two short sides are the same length. This makes a rectangular piece of knitting.
With stitches still on the needle, pick up and knit every "knot" along the long edge. Knit two sts together along the next two rows to draw work in.
Cut yarn leaving a 40cm tail.

MAKING UP
Thread needle and slip all remaining stitches onto thread. Pull up tight and fasten. With same thread sew the two short sides together with a flat seam to form back seam. Turn lower edge up to suit.

SOCK 2 – Simple Seed Stitch Cuff Socks

LEG

With 2.75mm needles, cast on loosely 44 (48, 52, 56, 60, 64) sts.
Divide evenly on 4 needles (= each needle 11 (12, 13, 14, 15, 16) sts) and join to round, ensure not to twist sts. Mark beg of round.
K1, p1 rib for 8 (8, 8, 10, 10, 10) rows.
Change to 3.25mm needles.

Simple Seed Stitch Pattern
Rounds 1 and 2: K.
Round 3: *K3, p1; rep from * to end.
Round 4, 5 and 6: K.
Round 7: K1, p1; *k3, p1; rep from * to last 2 sts, k2.
Round 8: K.
Rep these 8 rnds until piece meas 8 (10, 13, 16, 18, 18)cm from beg.
Work as for Sock 1 from (**) to (**).

SOCK 3 – Ribbed Cables Cuff Socks

This pair of socks has a shorter cuff, as the Ribbed Cables Pattern will not stay in straight line (will bias a bit) if worked longer due to the decrease facing one way only; though it is a pretty little pattern stitch.

LEG

With 2.75mm needles, cast on loosely 44 (48, 52, 56, 60, 64) sts.
Divide evenly on 4 needles (= each needle 11 (12, 13, 14, 15, 16) sts) and join to round, ensure not to twist sts. Mark beg of round.

Asymmetrical Poncho

Design by Patons

YARN

- *4 balls 50gm Patons Embrace 2ply in String #903*

NEEDLES AND TOOLS

- *1 pair 4.50mm knitting needles.*
- *Tapestry needle for sewing seam.*
- *2.5m of ribbon (40mm wide).*

MEASUREMENTS

One size fits most
Length at longest point 65cm

TENSION

22 sts by 46 rows over patt, on 4.50mm needles to 10cm

GETTING STARTED

Note: This Poncho is worked on larger needles and at a looser tension than usually recommended for this yarn. If large number of sts does not fit comfortably on a pair of needles, we suggest using a circular needle.

WORKING PATTERN

PONCHO (worked in one piece)

Using 4.50mm needles, cast on 250 sts.

Beg Pattern

Rows 1, 3, 5, and 7: * K5, (K2tog, yfwd) twice, K1, rep from * to end.

Rows 2, 4 and 6: * P5, K5, rep from * to end.

Row 8: Knit.

Row 9, 11, 13, 15: * K1, (yfwd, sl 1, K1, psso) twice, K5, rep from * to end.

Rows 10, 12, 14: * K5, P5, rep from * to end.

Row 16: Knit.

Last 16 rows form pattern.

Cont in patt until Poncho measures approx 48cm from beg, ending with an 8th or 16th patt row.

Shape Neck

Note: Care must be taken when shaping in this lace patt. Do not work a K2tog or sl 1, K1, psso, unless the corresponding yfwd can be worked and vice versa.

Next Row: Patt 115, cast off next 20 sts, patt to end.

Cont on these 115 sts for Front, noting that sts cast off in previous row form part of neck edge.
Keeping patt correct, dec one st at neck edge in next row.
Next Row: Cast off 8 sts, patt to end. 106 sts.
Dec one st at neck edge in every row until 76 sts rem, then in every foll alt row until 55 sts rem, then in foll 4th row once. 54 sts.
Work 2 rows.

Shape Shoulder
Cast off 8 sts at beg of next row and foll 2 alt rows, at same time dec one st at neck edge in 2nd row and foll 4th row once. 28 sts.
Cast off 7 sts at beg of next row and foll 2 alt rows.
Work 1 row.
Cast off rem 7 sts.
With WS facing, rejoin yarn to rem 115 sts for Back.
Keeping patt correct, cast off 8 sts at beg of next row. 107 sts.
Dec one st at neck edge in every row until 76 sts rem, then in every foll alt row until 55 sts rem, then in foll 4th row once. 54 sts.
Work 1 row.

Shape Shoulder
Cast off 8 sts at beg of next row and foll 2 alt rows, at same time dec one st at neck edge in 3rd row. 29 sts.
Work 1 row.
Cast off 7 sts at beg of next row and foll 2 alt rows, at same time dec one st at neck edge in first row.
Work 1 row.
Cast off rem 7 sts.

NECKBAND
With RS facing and using 4.50mm needles, knit up 130 sts evenly around neck edge.
Knit 1 row.
Cast off knitways.

MAKING UP
Do not press. Join shoulder seam.
Thread ribbon through eyelets around neck edge; draw up as pictured or as desired.

GLOSSARY

BEGINNER'S TOOL KIT

PINS

Plastic-head pins are useful for checking tension and blocking out items. Pins with coloured heads are best because they do not get lost in your work.

KNITTING NEEDLES

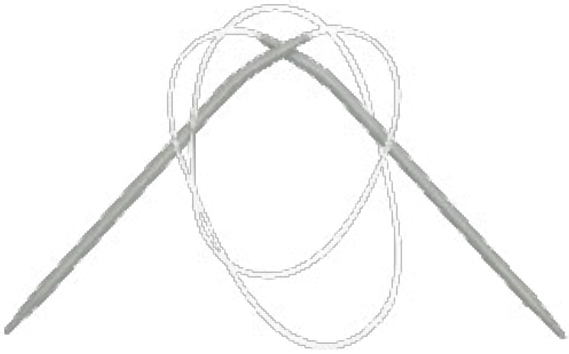
Knitting needles are made from plastic, aluminium or wood and come in varying lengths and widths. Straight needles come in pairs and doublepointed needles come in sets of four.

KNITTING BAG

A knitting bag is essential for those who like to knit 'on the go'. Not only is it a practical way to keep all your knitting paraphenalia together, it also helps keep the yarn clean and tangle-free.

ROW COUNTER

A row counter is helpful for keeping track of rows worked, particularly where increases, decreases or other kinds of patterning occur.



CIRCULAR KNITTING NEEDLES

Circular needles have two working ends joined by a thin nylon wire. They are more balanced than straight needles and allow the weight of your work to rest in your lap.

KNITTING IN ELASTIC

Elastic yarn prevents sagging in cuffs, collars and waists. You can work it in with knitting yarn on knitted or crocheted garments.

TAPE MEASURE

A basic tape measure is essential for checking your garment measurements.

KNITTER'S NEEDLES

Knitter's needles need to have a large eye and a blunt point so they do not split stitches when sewing up your knitting.

STITCH GAUGE

A stitch gauge is a flat piece of metal or plastic with a ruler marked on one side and/or a window cut out in the centre. It allows you to mark and measure easily and accurately.

STITCH HOLDER

A stitch holder is used to secure stitches not in use. You can also use safety pins for holding a small number of stitches.

CASTING ON

Diagram 1

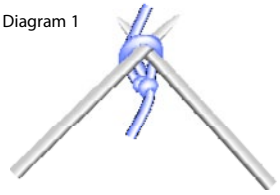


Diagram 2

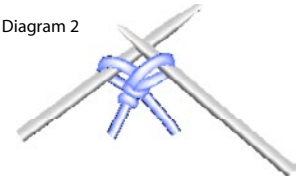

Casting on is creating a row of loops on a knitting needle to form the base row for your knitting. One of the most popular methods of casting on is the cable cast on. Form a slipknot about 25cm away from the end of the yarn.

Place the slipknot on a knitting needle and pull gently to secure. Hold this needle in your left hand. Insert the right-hand needle through the slip knot. Pass the yarn over the point of the right-hand needle (see Diagram 1).

Pull a loop through the slip knot with the right-hand needle (see Diagram 2). Place this loop on the left-hand needle and gently pull the yarn to secure the stitch. For the remaining cast-on stitches, insert the right-hand needle between the slip knot and the first stitch on the left-hand needle. Wind the yarn around the point of the right-hand needle. Draw a loop through and place this loop on the left-hand needle. Continue in this manner until you have cast on the desired number of stitches.

KNIT STITCH

Diagram 1

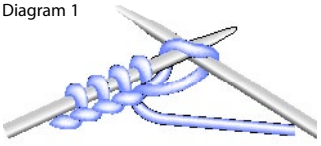

Diagram 2

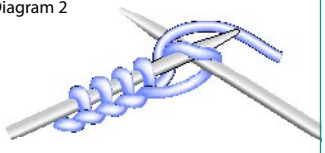

Once you have cast on, you then knit into the stitches you have made to form the knitted fabric. Hold the needle with the cast on stitches in your left hand, with the loose yarn at the back of your work. Insert the right-hand needle from left to right through the front of the first stitch on the left-hand needle (see Diagram 1). Wind the yarn from left to right over the point of the right-hand needle (see Diagram 2). Draw the yarn through the stitch to form a new stitch on the right-hand needle. Slip the original stitch off the left-hand needle, keeping the new stitch on the right-hand needle. To knit a row, repeat these steps until all the stitches have been transferred from the left-hand needle to the right-hand needle. Turn your work, transferring the needle with the stitches on into your left hand to work the next row.

PURL STITCH

Diagram 1

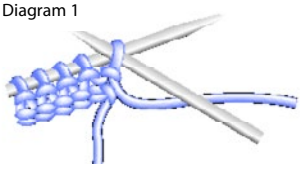

Diagram 2

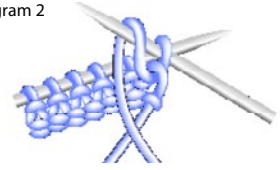
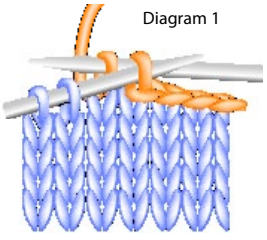


The purl stitch is basically the reverse of the knit stitch. Hold the needle with the stitches on in your left hand, with the loose yarn at the front of your work. Insert the right-hand needle from right to left into the front of the first stitch on the left-hand needle (see Diagram 1). Wind the yarn from right to left over the point of the right-hand needle (see Diagram 2). Draw the yarn through the stitch to form a new stitch on the right-hand needle. Slip the original stitch off the left-hand needle, keeping the new stitch on the right-hand needle. To purl a row, repeat these steps until all the stitches have been transferred from the left-hand needle to the right-hand needle. Turn your work, transferring the needle with the stitches on into your left hand to work the next row.

CASTING OFF

KNITWISE

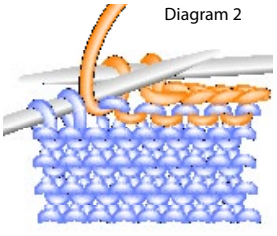
Diagram 1



Knit two stitches. Use the point of the left-hand needle to lift the first stitch on the right-hand needle over the second, and drop if off the needle. Knit the next stitch on the left-hand needle so that there are two stitches on the right-hand needle again, and repeat. Continue in this manner until all the stitches have been worked off the left-hand needle and only one stitch remains on the right-hand needle. Cut the yarn, leaving a tail and thread the yarn through the loop and pull it firmly to fasten off.

PURLWISE

Diagram 2



Purl two stitches. Use the point of the left-hand needle to lift the first stitch on the right-hand needle over the second, and drop it off the needle. Purl the next stitch on the left-hand needle so that there are two stitches on the right-hand needle again, and repeat. Continue in this manner until all the stitches have been worked off the left-hand needle and only one stitch remains on the right-hand needle. Secure this last stitch as described in casting off knitwise.

SUBSTITUTING YARNS

If you substitute or spin a yarn for a project, you can compare the weight of the yarn to the project yarn by comparing wraps per inch. Wrap your yarn around a ruler for one inch and count the number of wraps. If you have more wraps per inch than the project yarn, your yarn is too thin; if you have fewer wraps per inch than the project yarn, your yarn is too thick.

KNITTING TENSION

Checking your knitting tension, that is, the tightness or looseness of your knitting, is important. To check your tension, cast on 30 stitches using the recommended needle size. Work in the pattern until your work measures 10cm from the cast on edge then cast off. You now have a "swatch". Measure your tension by placing a ruler over your swatch and counting the number of stitches across and rows down (including fractions of stitches and rows) in 10cm. Repeat these measurements two to three times on a different parts of the swatch to check your measurements. If you have more stitches and rows than called for in the instructions, you should use larger needles; if you have fewer, use smaller needles. Check your tension again before starting your project.

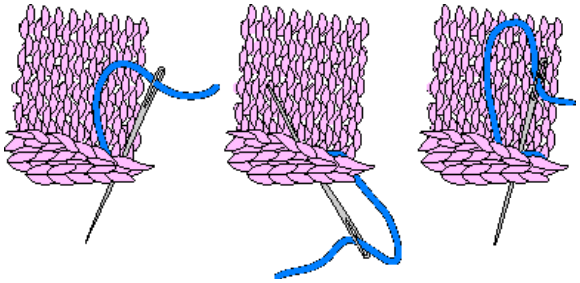
PROVISIONAL CAST ON (INVISIBLE CAST ON)

Place a loose slipknot on the needle in your right hand. Hold the waste yarn next to the slipknot and around your left thumb. Hold your working yarn over your left index finger. *Bring the needle forward under the waste yarn, over the working yarn, grab a loop of working yarn (Diagram 1), then bring the needle to the front, over both yarns, and grab a second loop (Diagram 2). Repeat from * until you have the desired number of stitches on your needle. When you're ready to work in the opposite direction, pick out the waste yarn to expose the live stitches.

Diagram 1

Diagram 2

Diagram 1



BACKSTITCH

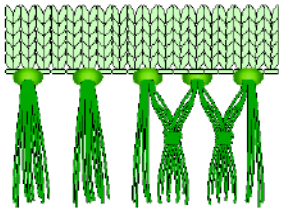
This is the stitch most commonly used for joining knitted garments. With the right sides of your work together, pin the knitted fabric together with the edges even. The seam should be sewn one full stitch from the end of the row. One stitch should be worked over every row. Thread the yarn needle. Insert the needle through both layers and sew two stitches to the left then one stitch back to the right. Keep stitches at an even distance. Continue working from right to left in this circular motion. (Diagram 1)

TASSELS

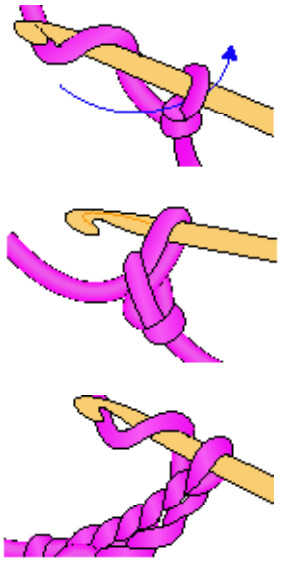
Cut yarn twice the length of your desired tassel plus a bit extra for the knot. According to the desired thickness of the tassel, select a number of lengths of yarn. Fold the lengths of yarn in half over a crochet hook. On the wrong side, insert the crochet hook from the front to the back through the edge of the work. Grab the yarn and pull through and tighten. Trim the ends to the same length.

KNOTTED FRINGE

After working a tassel, take one half of the strands from each tassel and knot them with half the strands from the neighbouring tassel. Trim.

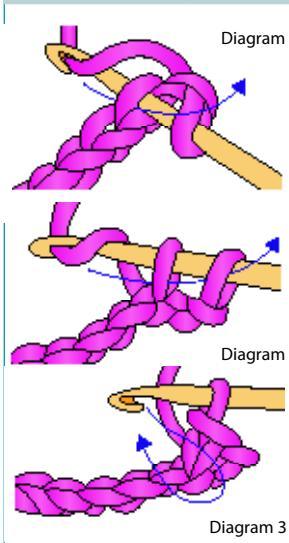


CROCHET CHAIN



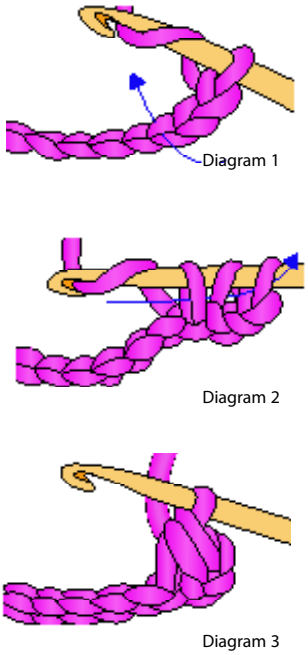
Make a slip knot on your hook. Pass the yarn over the hook and catch it with the hook and draw it through the loop on the hook. Repeat, drawing yarn through the last loop formed.

DOUBLE CROCHET (DC) (US SINGLE CROCHET SC)



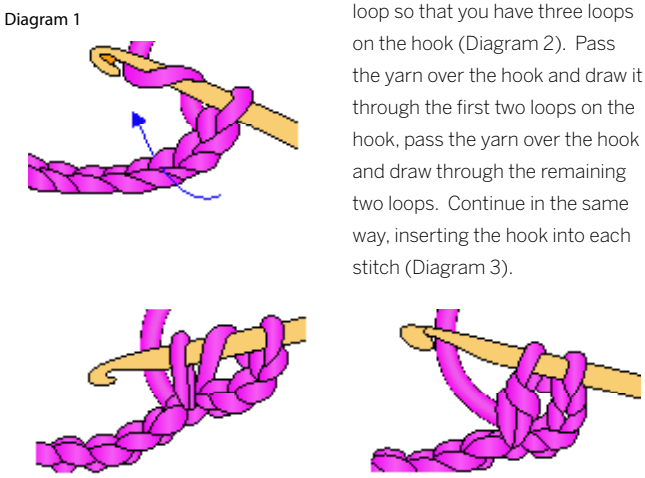
Insert the hook through the top two loops of a stitch. Pass the yarn over the hook and draw up a loop so that you have two loops on the hook (Diagram 1). Pass the yarn over the hook and draw through both loops on the hook (Diagram 2). Continue in the same way, inserting the hook into each stitch (Diagram 3).

HALF TREBLE CROCHET (HTR) (US HALF DOUBLE CROCHET HDC)

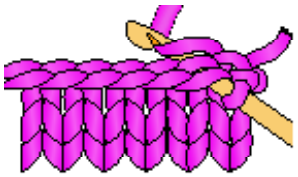


Pass the yarn over the hook. Insert the hook through the top two loops of a stitch (Diagram 1). Pass the yarn over the hook and draw up a loop so that there are three loops on the hook (Diagram 2). Draw through all three loops on the hook (Diagram 3).

TREBLE CROCHET (TR) (US DOUBLE CROCHET DC)



Pass the yarn over the hook. Insert the hook through the top two loops of a stitch (Diagram 1). Pass the yarn over the hook and draw up a loop so that you have three loops on the hook (Diagram 2). Pass the yarn over the hook and draw it through the first two loops on the hook, pass the yarn over the hook and draw through the remaining two loops. Continue in the same way, inserting the hook into each stitch (Diagram 3).

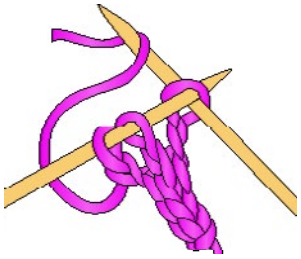


SLIP STITCH CROCHET (SL ST)

Insert your hook into the stitch. Yarn over the hook and draw the loop through the stitch and loop onto the hook.

I-CORD

With double-pointed needles, cast on the desired number of stitches. *Without turning the needle, slide the stitches to the other end of the needle, pull the yarn around the back and knit the stitches as usual. Repeat from * until your work measures the desired length



PICKING UP DROPPED STITCHES

A dropped stitch can be picked up using a crochet hook and don't be put off by stitches that have unraveled several rows down into the work. To pick up knit stitches, insert the crochet hook into the dropped stitch, draw through the bar lying above the dropped stitch and pull it through the loop of the dropped stitch.

KNITTING ABBREVIATIONS
